Group Play Tips

1. Keep good records of your group

- Choose a Group Play Captain.
- Use the Lottery Group Play Form to record group participation and draw information.

2. Plan ahead

- Decide how prize winnings will be split and how much will be returned into future lottery ticket purchases.
- Before going on vacation, pay your Group Play Captain and document the payments.
- Agree and document how member participation will work if they can't pay before a draw.

3. Protect your ticket

- Sign the ticket and write "In Trust" by the signature to show it's a group play ticket.
- Make copies or scans of the tickets for each group member.
- Update the tickets for each member every time the group plays.
- Check the ticket and validate at an authorized OLG retailer or the OLG Support Centre at 1-800-387-0098.
